Symposium Delegates:

On behalf of the Governing Board and the Organizing Committee, I extend my sincere thanks and appreciation to you for attending the 2023 *National Education Symposium*.

Your contributions will enhance the occupational health and safety (OHS) profession, stimulate ideas to aid students either entering the field or upgrading their knowledge and perhaps most importantly, foster an ongoing dialogue amongst Canadian post-secondary institutions offering OHS programs.

The symposium is an opportunity for us to collaborate to improve the OHS profession. Your active participation and input will positively impact future practitioners and influence curriculum development for occupational health and safety programs across the country.

I wish you well for the next two days of discussions in Calgary.

Sincerely,

BOARD OF CANADIAN REGISTERED SAFETY PROFESSIONALS
