The Board of Canadian Registered Safety Professionals (BCRSP) invites you to partner with us for the BCRSP's 50th Anniversary Celebration Conference in Niagara Falls, Ontario from **Sunday May 10th - Tuesday May 12th, 2026.**

This special celebration conference will bring together leading safety professionals from across Canada and around the globe to learn, network, and celebrate 50 years of safety leadership!

We are offering a select number of leading companies an opportunity to enhance your visibility to CRSP® and CRST® certified professionals as well as those aspiring to be certified. Your valued partnership will help the BCRSP achieve continued success. At this uniquely styled event, the exposure is limited to those who are partners, there is no exhibit hall, so you can be assured your support will be recognized exclusively as an event partner.

To meet a variety of budgets, we have developed several partnership levels outlined in this prospectus. We look forward to hearing from you and partnering with you to honour the legacy of the BCRSP and shape the future of health and safety in Canada and make BCRSP's 50th Anniversary Celebration Conference the highlight of 2026!

For questions or additional information, please contact Erinn Young at eyoung@bcrsp.ca.

WHO WE ARE

MISSION STATEMENT

The BCRSP sets certification standards for the occupational health and safety profession.

VISION STATEMENT

Safe and healthy workplaces through certification.

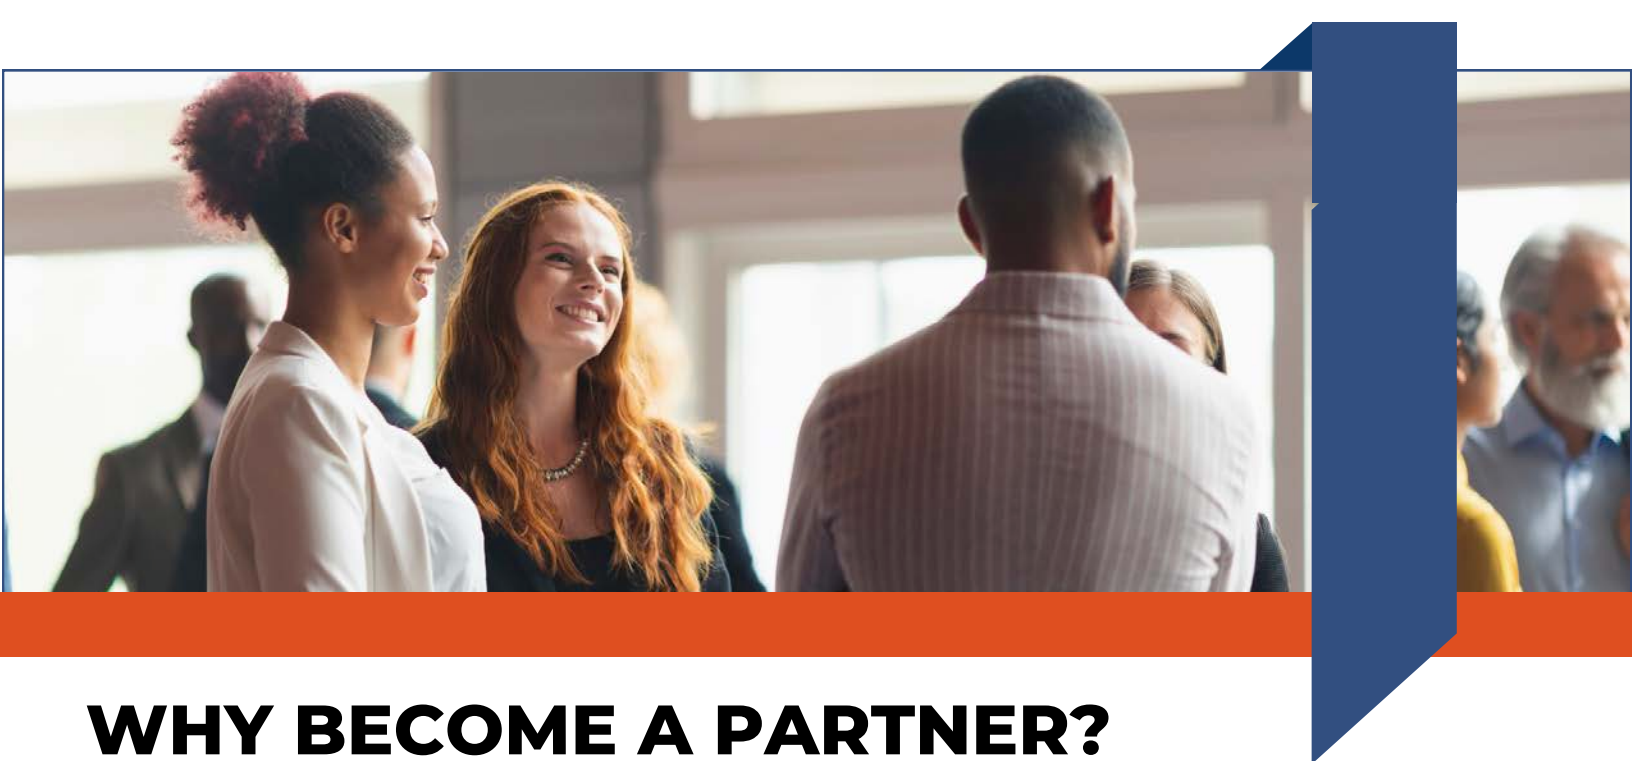

On February 10, 1976, a newly designated Canadian Corporation was formed for the purpose of certifying qualified safety practitioners. With the appointment of the first Board of Governors, comprised of leading professionals from a cross-section of safety disciplines, the certification of safety professionals became a reality through the founding of the Board of Canadian Registered Safety Professionals.

The BCRSP has grown over its 50 years to offer two certifications – the Canadian Registered Safety Professional (CRSP®) and the Canadian Registered Safety Technician (CRST®). The BCRSP acts in the public interest in granting certification and upholding it as a recognized standard of excellence for capable and ethical safety practitioners.

A federally incorporated not-for-profit, BCRSP establishes and enforces education, examination, experience, and ethical requirements for CRSP® and CRST® certified professionals through ISO/IEC 17024-accredited certification schemes.

WHY BECOME A PARTNER?

- Showcase your product, service or brand to occupational health and safety decision-makers and influencers including CRSP® and CRST® certified professionals.
- With no trade show exhibitions at this event, the exposure you will receive for your partnership will be much greater than traditional conferences and you will have special opportunities to showcase your brand not typically available to sponsors.
- Exclusive access to conference attendees. With a limited amount of partnerships available, you can be sure your brand stands out at the BCRSP's 50th Anniversary Celebration Conference!
- Most partnership levels include conference registrations. Your representative(s) will attend the entire conference with the other attendees providing unlimited one-on-one networking opportunities.
- A unique opportunity to support the BCRSP and the health and safety profession in general.
- To meet a variety of budgets, we have developed several partnership levels outlined in this prospectus.

PARTNERSHIP TIERS

DISTINGUISHED PARTNER | \$30,000 CDN

1 Opportunity Available

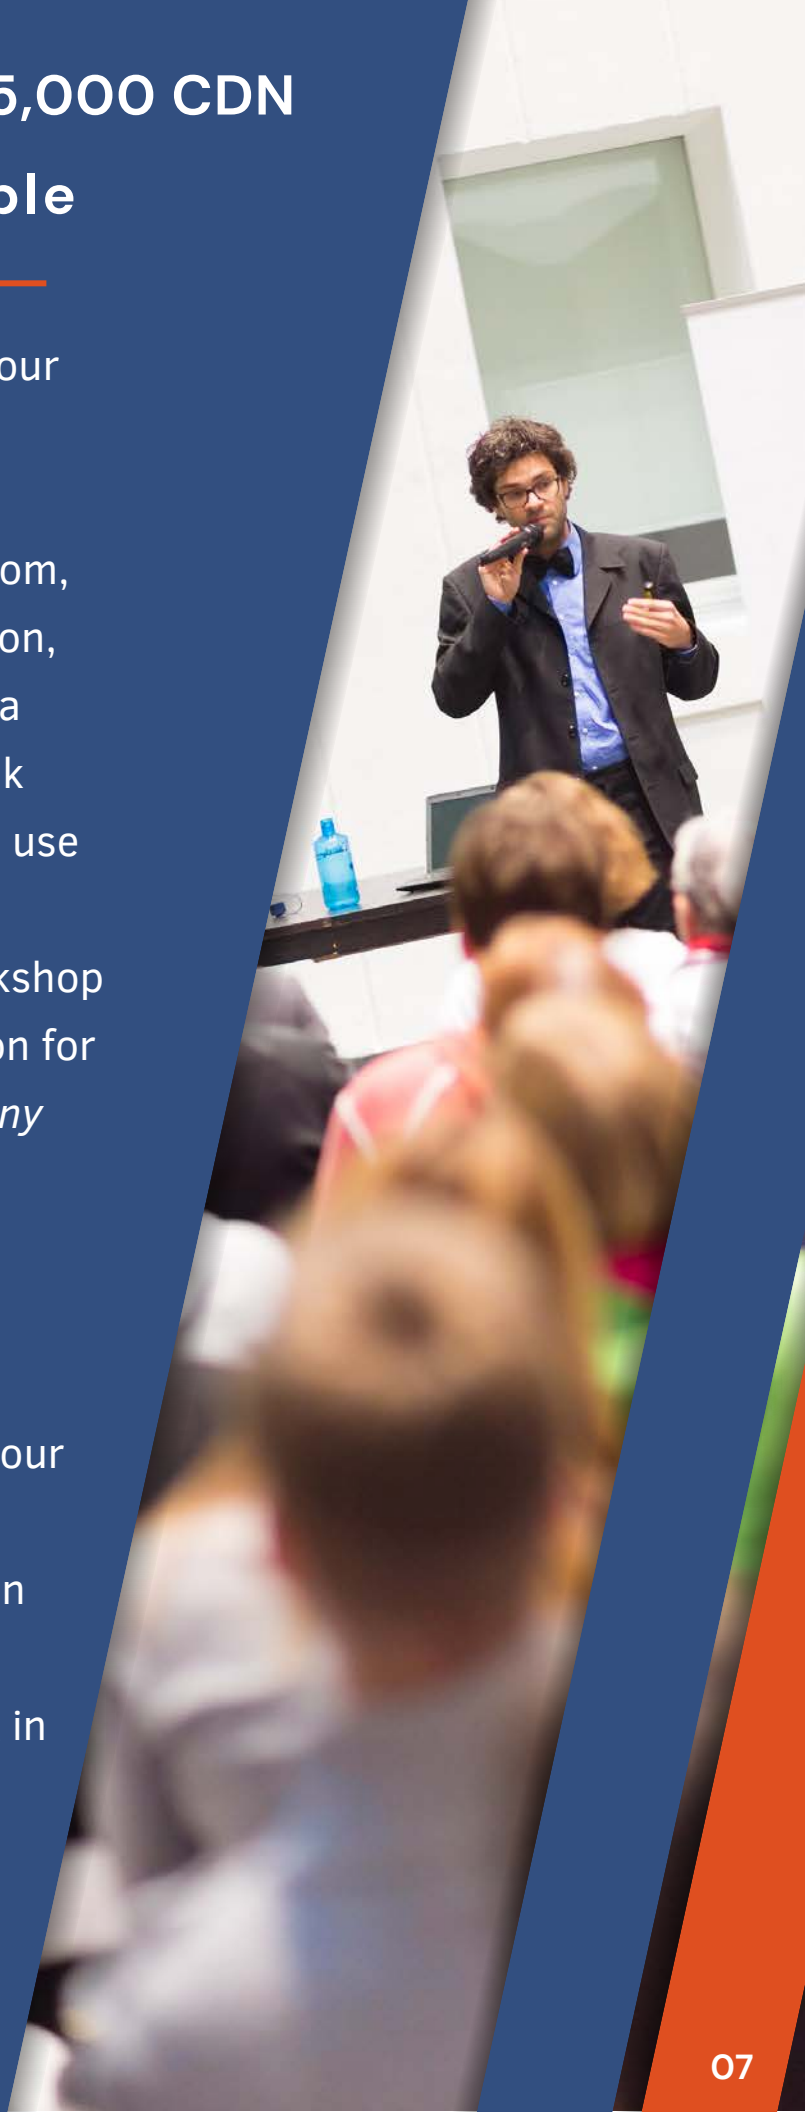

- Exclusive opportunity to showcase your brand within the Main Plenary room.
